TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Merrimack in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Merrimack on Tuesday, the 8th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what sum of money the Town will vote to raise and appropriate for the ensuing year for the following Town functions.
 1. Town Officers Salaries.
 2. Town Officers Expenses.
 3. Election and Registration.
 4. Overseer of the Poor.
 5. Town Hall and other Buildings.
 6. Police Department.
 7. Fire Department.
 8. Health Department.
 9. Maintenance of Highways and Bridges.
 10. Oil for Town Roads.
 11. Town Road Aid.
 12. Snow Removal
 13. Street Lights.
 14. Library.
 15. Town Poor.
 16. Old Age Assistance.
 17. Memorial Day.
 18. Cemeteries.
 19. Town Dump.
 20. Insurance.
 21. Regional Association.

4. To see if the Town will vote to raise money for the purpose of erecting street and road marking signs.

5. To see if the Town will vote to accept the following land and streets:

LAND — from Charles & Anne Russell and Charles & Ruth King for Reeds Ferry Fire Station.

STREETS — from James & Rita Bigwood known as Bell-Air Ave, from George & Ethel Bigwood in Thorntons Ferry known as Hoitt Street, from Henry & Ann Caron in Thorntons Ferry two short streets, from Henry & Margaret Hock in Reeds Ferry continuation of Front Street, from Bishop & Duxbury Construction Co. one street off McElwain Street back of Catholic Church, and another off Baboosic Lake Road, seven homes will be extended if water available.

6. To see what action the Town will take on the usual discount for early payment of taxes.

7. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and fifty-five.

SELECTMEN'S REPORT

In closing out the year of 1954 your Board of Selectmen have endeavored to carry out the various projects you voted upon and approved at the March meeting, as efficiently and economically as possible.

Part of our T. R. A. monies was spent to complete that portion of the Camp Sargent road that was graveled last year. We now have a black top road from the Thornton's Ferry interchange to route 101A in South Merrimack. With our T. R. A. monies in 1955 we propose to widen the short section from where we left off to the interchange and widen and straighten that section from Reeds Pond to 101A in South Merrimack. The balance of the T. R. A. money this year was used to widen the road over the brook beyond Lawrence Corner towards Amherst, and to straighten the road and black top the entire road from Turkey Hill bridge to Lawrence Corner. This is a school bus route and the board felt that the improvements will make the roads not only safer for the transportation of our children, but to all concerned.

We received the materials for Willow Bridge in July and this bridge was completed prior to August 1st. This bridge is of pressure treated douglas fir and should last many years.

The Town Hall ceiling has been insulated and the new heating system installed. The cracks in the foundation were filled and the toilets repaired and painted. The new steel door should add to a saving in our fuel bill. The building is still in need of quite a few repairs, but the Board feel that a little money spent each year is better than letting it go to pieces. It was not built for a gymnasium, but some place has to be provided for the boys and girls to play basket ball. Your Board is not opposed to the school using the building, but would like to remind you that if the hall were used only for what it was built for, the cost of maintenance, repairs and heating would be much less than they are today.

One member of the Board of Selectmen served on the Memorial Ball Park Committee. This committee was active and cooperative. To date the ball field has been graded and seeded, two dugouts have been built, the back stop installed, and a small utility building has been built for the housing of baseball equipment in one end and toilets in the other. Four toilets, two wash stands and drinking fountains will be installed by Spring. The committee proposes to pipe water from the present school well to the ball park. Two bleachers built of pressure treated lumber will be installed. Everything the Committee has done thus far as to construction is of a

permanent nature and should stand for many years, if all concerned will cooperate in keeping it clean and see that unnecessary damage does not result. The Committee is grateful too and wish to thank the following: Mr. Robert Lessor of Wirthmore Grain Co. for generously donating \$50.00 worth of seed and to Mr. Lessor for helping seed the field, also Mr. Morris Liffman for preparing the ground with his equipment and helping seed the field with Mr. Lessor. We also wish to thank Mr. Norman Hall, Mr. Arthur Letendre, Arthur and Paul Burgess, Albert Hill, Hume Pipe of N. E., Redimix Concrete Co. and all others who helped make this project a success. Mr. Dana Taylor and his high school boys were helpful in digging out the dugouts, helping with the backstop and painting. Again many thanks from every one who helped us. The Committee.

Another great improvement we believe is the widening of the road near the library, both on the D. W. highway and the Baboosic Lake road. This work was done by the State Highway Dept. at no cost to the town. The Board wishes to thank Mr. & Mrs. Henry Keistlinger for their fine cooperation and in donating part of their lawn and also the library trustees for working with us on this project. The Board has written a letter to the Highway Dept. thanking them for a job well done.

In August 1954 the senior member of the Board, Col. E. J. Haseltine was granted a leave of absence for ten months to enter Air War College at Maxwell Field, Montgomery, Alabama. Mr. Haseltine submitted his resignation, but the other two members were reluctant to accept his resignation and agreed to carry on the work until his return. Needless to say we miss his experience and ability on the Board. During his absence the Board has taken advantage of Mr. Bert Peaslee's knowledge of affairs and wish to thank him for his fine help and cooperation.

In July the Boston & Maine Railroad petitioned the Public Utilities Commission for permission to close the Merrimack railroad station and discontinue agency service at this point. The industries and shippers and many interested citizens as well as your Board of Selectmen were opposed to the closing of our railroad station, as all concerned felt that this would be a step backward in the growth of the town and a great inconvenience to our industries now located here and to others whom we might be successful in getting to locate here in the future.

As these proceedings required the knowledge of an attorney, the Board engaged the firm of Upton, Sanders & Upton of Concord, N. H. and Mr. Frederick Upton of the firm represented the town.

After three rather lengthy hearings and much debate at Concord with the Public Utilities Commission and the Railroad the hearings were closed and in December we were informed by Mr. Upton that the Public Utilities Commission ruled in our favor. This does not mean however, that the railroad station at Merrimack is a permanent fixture. It's future depends on the amount of new business and increased revenue it can yield in the next few years.

Your Board is making an effort to encourage new industries to locate in Merrimack and believe a seven man committee or possibly a board of trade should be organized to explore the situation. We feel that Merrimack is ideally located for industrial expansion, having many acres of proposed sites along the Boston & Maine Railroad, access to the new turnpike and the largest telephone coverage of any town in the state.

New homes are available and our local contractors and others are doing an excellent job in constructing new homes to meet the demand, and are contributing tremendously to the growth of the town. Approximately thirty-five (35) new homes were constructed in 1954.

On December 4, 1954 the first section of the Frederic E. Everett Turnpike was dedicated in Merrimack. Ceremonies were held at the Souhegan River Bridge on the Turnpike. Governor Gregg, Commissioner Merrill, the road and bridge contractors were present and approximately two hundred (200) others. This bridge is the widest bridge in the State of New Hampshire. We believe the turnpike, when completed, will benefit the town and be a big factor in its growth.

Your Board of Selectmen have been approached during the past two years by many of the tax payers relative to what could be done as to the possibility of establishing a water district for the town. Naturally those who do not have water are more interested than those who are blessed with town water at very reasonable rates.

Your Board of Selectmen asked the following group if they would serve on a committee to make a study of the situation and we were pleased at their response. This committee consisted of Mr. Carold Hall, Mr. Bert Peaslee, Mr. Andrew Woranka, Mr. Harry Greenleaf, Mr. William McCrillis as Chairman, Mr. Franklin Haseltine, Mr. Arthur Bruce, Mr. Frank O'Gara as Clerk, the Shedd-Harris Water Committee, Mr. John Wright, Mr. Edward Carter, Mr. Arthur Gordon and the Selectmen. The first meeting was held October 14th and we were ably assisted and informed as to the procedure by our good friend and neighbor Mr. Donald Calderwood of Nashua, to whom we are grateful. It was agreed upon to employ

the firm of Whitman & Howard of Boston, Mass. to make the survey and after several meetings of the committee it seemed advisable to call a special Town Meeting on January 18th to get the reaction of the voters regarding the establishing of a district. A good representation was present and a ballot vote taken, the result, as many of you know, was 142 for the proposal and 29 against.

The Committee realize that their work is far from complete and that the original survey will have to be cut down considerable in order to have a workable and economically sound plan. Due to the regular work of all concerned for the first two months of the year, the committee has been unable to devote much time to the project up to now, but hopes to have the desired information for you at a special meeting at a later date.

We believe the discussion of a water project is too lengthy a topic to bring up at the regular town meeting as it should be discussed on its merits, as we are well aware, it is one, if not the largest, project this town has ever undertaken.

A new fire station has been built in the village of Reeds Ferry at a cost of \$2,115.94. The money spent for the construction of this station which was paid for with town funds will be repaid to the town at the rate of approximately \$400.00 per year. The \$400.00 is the interest derived from the \$8,000.00 trust fund left by the late George Carroll and which the voters accepted at the March meeting last year. The will stipulates that the money must be spent for fire prevention in the village of Reeds Ferry.

Your Board of Selectmen meet every Monday night from 7 to 9 P. M., except during the months of July, August, and September when they meet twice a month, the second and fourth Mondays.

Respectfully submitted,

HAROLD V. BUKER

REPORT OF MERRIMACK MUNICIPAL COURT

The Merrimack Municipal Court heard a total of 183 cases during the year 1954, the greater part being motor vehicle cases.

No cases during 1954 have been appealed to the higher courts, despite quite a few having been represented by counsel.

In August Judge Edward J. Haseltine entered Air War College at Maxwell Field, Alabama and Gov Hugh Gregg appointed Wm. N. Footer as Associate Judge, who is presiding during Mr. Haseltine's absence. He will continue to serve with Mr. Haseltine upon his return, as the need may be.

Respectfully submitted

EDWARD J. HASELTINE,
Justice.

WM. N. FOOTER,
Associate Justice.

POLICE DEPARTMENT

Merrimack, New Hampshire

Gay Nineties Show and Dance

This show was very successfully presented on February 26, 1954. A profit of \$552.11 was realized from this entirely new venture of the Police Dept. To date we have spent \$233.14 on fire extinguishers for the police officers' cars, safety belts for the police officers and life rings for all the swimming areas in town that will be used this coming season.

We also have plans now underway for a safety program, aimed primarily for our younger children, which we hope will be put in effect this coming school year.

May I urge all parents to continue cautioning their children to always walk on the left side of the road facing traffic, to keep as far to the left as possible, and to take time to look carefully both ways before crossing.

Most motorists reduce speed and exercise extreme caution when driving in the vicinity of children, but they cannot anticipate a sudden dash in front of them. Last year there were no accidents reported to this department involving school children. Let's all try for a perfect record again this coming year.

May I express my grateful appreciation to all those who gave aid and assistance to this department during the past year.

FRANK R. FLANDERS

Chief of Police.

REPORT OF MERRIMACK FIRE DEPARTMENT

Fire Alarm: Siren in Merrimack—Siren in Reeds Ferry—Siren in South Merrimack.

Every courteous act and assistance extended in preventing and extinguishing fires is greatly appreciated by your fire department.

F. L. Haseltine, W. J. Footer, C. M. Nute, Jr., C. Carman, J. W. French, F. Read, W. Allgaire, Jr., G. Allgaire, G. Beard, E. Bishop, N. DeVito, E. J. Haseltine, J. Janas, C. G. King, H. C. McCalvey, T. Read, J. Roy, J. Tucker, E. Thibodeau, T. Warriner, E. G. Wilkins, C. Worcester, J. H. Worcester, R. McRoberts, P. J. Greeley, A. Burgess, N. Hall, L. Courtemarsh, A. Avery, A. C. Heath, J. F. Hall, J. Bicknell, B. E. Hall, C. F. Hall, A. Junkins, C. Warren, H. Whalin.

We welcome your suggestions. Meetings are open to the public at any time for information or suggestions. We consider our procedure to be sound and correct, if we cannot defend same as such we will gladly correct.

Manhours expended on hose	16
Manhours expended on house fires	127
Manhours expended on drills	74
Manhours expended on car, truck fires	35
Manhours expended on chimney fires	42
Manhours expended on false alarms	299
Manhours expended on underwriters tests	231½
Manhours expended on sprinkler	5
Manhours expended on hurricanes	31
Manhours expended on fire duty	45½

Forest fire suppression 21 calls with equipment and manpower, total cost of \$566.91, of this amount parties responsible for starting the fire have paid \$458.67, town treasurer has paid \$54.12, state of N. H. has paid \$54.12. One hundred and ten fire permits have been issued. This effort is in keeping with state laws.

Oil burning equipment installation permits issued 23, this effort is in accordance with N. H. state laws.

If you want the fire department for a fire DIAL on your phone 4-5571.

In case of fire Dial on a phone 4-5571 tell them the location of the fire. After that do everything you can to put out the fire. Keep buildings closed as much as possible. On arrival of department tell them where water is available; where main switch is located; where oil tank is located; where hall ways, stairways, passageways and doors are located and any other information that might be useful.

At all times the alarm will be sounded when the department is called, except when there is a large detachment of men immediately available to accompany apparatus.

You will please keep all roads open so trucks can go and come at will, without being hindered by cars parked in the road.

Fire Department Chief.

In looking over the records I find that over one-third of the fires in District One in 1954 were from incinerators and burning without first securing a permit from the forest fire warden of the town where fire occurred. As all these thirty-three fires were in violation of the law, all of us citizens who own homes or rent property should try to the best of our ability to cooperate with the forest fire warden and fire chief in the town or city in which we live.

After the snow leaves the ground and the spring season arrives we all like to get out of doors and start to clean up the grounds and back sheds so before we start to burn, let's contact the forest fire warden of the town in which we live and get his view and permit.

GUY O. HOLLIS

District Fire Chief.

35. Permits. (b) No person, firm or corporation shall kindle or cause to be kindled any fire or shall burn or cause to be burned any material, and no city or town shall kindle or maintain a fire or a public dump, in or near woodlands, pasture, brush, sprout, waste, or cut-over land, or where fire may be communicated to such land, except when the ground is covered with snow, without first obtaining a written permit from the forest fire warden of the town where the burning is to be done unless the same is in the presence of the warden or his agent.

36. Liability for Fires Without Permit. Any person causing or kindling a fire without permit of the forest fire warden, when such permit is required, and any person by whose negligence or the negligence of his agents any fire shall be caused, shall be liable in a civil action for the payment to the town, or the state or both, of the expenses incurred by the forest fire warden or deputy warden in attending or extinguishing such fire.

Forest Fire Warden's Report

A library is taken by the average citizen as a matter of course, it is there and must be supported. It is much more than that, it is a gathering together of many things. Stories of people throughout the ages, their struggles, defeats and thoughts, episodes all between book covers.

The annual Book Week observance was held by the library, with open house, a display of books, historical material and serving tea.

Annual Library Day by Community Club and invited guests was held at the library presided over by the President of the Club Mrs. Doris Hall.

YOUR REGION ASSOCIATION

WHAT IT IS—The Merrimack Valley Region Association of New Hampshire is a non-profit corporation which was formed for the purpose of providing an effective means whereby all of the communities within the Region might work cooperatively to maintain and promote in every way possible the industrial, commercial, agricultural, recreational and all other interests which are to be found within the Region.

WHAT IT INCLUDES—The Region includes Concord, Manchester, Nashua and 35 surrounding towns. It is bounded on the west by the towns of Mont Vernon, New Boston, Weare and Henniker; on the north by Boscawen, Loudon and Canterbury; on the east by Nottingham, Raymond, Chester, Derry and Salem; and on the south by the Massachusetts State Line.

HOW IT OPERATES—Each city and town is entitled to one councillor. These councillors provide direct contact between the Association and each community for the exchange of ideas, the presentation of local problems for discussion and action and for reviewing the work being accomplished. They meet four times a year and at the annual meeting, held in July, nominate a President, 1st and 2nd Vice-Presidents, a Treasurer and 11 Directors, who, with the officers, form the Board of Directors. Election is by majority vote of the membership present. This Board directs the policies of the Association and hires a secretary to carry on the work subject to the approval of the directors.

The State Planning and Development Commission pays \$3,400 to each of the six regional associations annually. This money is earmarked for executive salary and can be spent for this purpose only. All other expenses such as travel, postage, telephone, printing, promotion, etc. must be met by funds raised in the Region by community appropriations or by firm and individual memberships. Thus, the Planning and Development Commission furnishes each region with a full-time secretary, but it is up to the citizens of the region to supply the tools with which to do the work. The amount requested of each community, less than 1/100th of one percent of the assessed valuation, is very small and yet, when these amounts are pooled together, the total becomes a substantial sum.

TEAMWORK COUNTS—This Association is really an Area Chamber of Commerce working for our particular section of New Hampshire. Our communities have common interests -- similar problems -- and goals we can reach **IF WE ALL PULL TOGETHER IN THE SAME DIRECTION.** TEAMWORK brought Silver Lake State Park and the Merrimack Trout Rearing Station to this Region -- it can do much more if everybody helps.

IS YOUR TOWN PULLING ITS SHARE OF THE LOAD?

We have withdrawn most of the money from the savings banks and have invested in Trust Funds that are approved by the State Banking Commission. The Trustees of the Trust Funds sold the Chemical Trust Stocks because of such a low interest rate that the fund was paying. By selling this stock we made a profit of \$387.88. This money was then invested in Incorporated Investors which paid 5.6%.

This is to certify that the information contained in this report is complete and correct, to the best of our knowledge and belief.

Dated January 1, 1955.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Merrimack qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the first day of March 1955, at 7:30 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board and Trustees for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to establish a Spelling Contest and accept a Trust Fund of Five Hundred Dollars (\$500.00) the income of said fund to provide prizes for the said Spelling Contest.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Merrimack this 14th day of February 1955.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Merrimack School Board:

I herewith submit my Sixth Annual Report as your superintendent of schools. Once again it is my distinct privilege to report nothing but the greatest cooperation between the schools and the citizens of Merrimack. My admiration and respect for the School Board for the time and effort it has been willing to unselfishly expend that the pupils in the Merrimack Schools might have equal educational opportunities with the pupils in other communities, has reached a new high.

There are two problems that seemingly will be with us for some time to come. The first is the continually rising school enrollment and the second is a direct outgrowth of this nation wide trend. It is a very serious and critical shortage of the type of teachers we would like to have teach our children.

The only way in which additional building can be postponed is by the step taken by the Board, that of lowering the minimum attendance age. Even this stop-gap measure will provide so little relief that next fall will be a very critical time for the Merrimack Schools, with some of the classes having too heavy enrollments once again. I see no way in which additional building can be put off for any extended time.

The only way in which New Hampshire can keep a full staff of qualified teachers is to keep pace with rising salaries that are being paid in neighboring states. It is a definite responsibility of every District to face the situation realistically, see the picture as it actually is, and finally resign itself to the fact that if it wants to have and to keep good teachers it must pay as much or more than those who are competing for these same people. Merrimack has been very fortunate in the calibre of teachers it has been able to employ. Every possible step should be taken to make working conditions as desirable as possible so that we may keep the fine teachers we have and to give the Board an opportunity to hire people of the same calibre for unavoidable replacements and additional positions.

In this, my final report, I want to thank the Board members, both past and present, who have so faithfully fulfilled the trust put in them and who have, in every way, tried to make my work as rewarding and pleasant as was humanly possible. My sincere thanks also go to the teachers of this District who have been willing to use every bit of their skill and knowledge that some one else's child might have the same educational opportunities they might wish for their own children. I shall sincerely miss all the fine people of Merrimack with whom it has been my privilege to work these past six years. Mr. Houle deserves commendation for the excellent way in which he is performing his duties as principal of Merrimack High School and addition. One would have to go a long way to find another school with as high morale either among the teachers or pupils.

Respectfully submitted,

HENRY J. HASTINGS

Superintendent of Schools

REPORT OF THE PRINCIPAL

January 1st to December 31, 1954

Much publicity is appearing concerning the great increase in school population. This fact was brought home to us this year. From January to the end of the school year, we had a room that could be used for music, meetings, movies, recreation, etc. When school opened in September with an enrollment just under three hundred pupils, it was necessary to use this room for a combination third and fourth grade and to also divide the seventh grade into two sections. This move has meant, of course, the addition of two teachers to our staff; Marguerita Hurley for the elementary grade and John Groves for the Junior-Senior High. The increase in the size of our high school classes makes it now necessary to offer certain courses every year instead of alternate years. This reduction in class size has been of great benefit to both pupils and teachers but there are still areas that need adjusting and should be remedied as soon as possible. When our enrollment was smaller, fewer pupils took part in more activities but as our numbers increase year by year a larger group of pupils take part in the various fields. This fact is noticeable in the following items:

I ATHLETIC HIGHLIGHTS.

Jan. 27. John Navin, who won the local foul shooting title, took second place in the Class C Foul Shooting Contest at Durham.

March 8-13. The basketball team, coached by H. Dana Taylor, competed in the tournament held at Keene Teachers' College.

June 3. The annual athletic banquet was held at the High School. Leo Cloutier, sports editor of the N. H. Sunday News, was the main speaker.

The Banquet was prepared by the home economic girls under the direction of Miss Montminy.

June 7. The baseball team, coached by Chester Steckevicz, won the trophy in the southern section of the Monadnock league Class C. As a result, the team played in the State Class C. Tournament at Plymouth.

II PUBLIC SPEAKING, PLAYS AND SPELLING.

Terence Hedges tied for first place in the oratorical division of the State Prize Speaking contest held at Durham in February.

March 11. Jane Bastille, by winning the American Legion Sectional speaking contest at Wilton, represented Merrimack in the regional contest held at New Ipswich, March 17.

April 23. "I'm a Family Crisis", coached by Mrs. Dickinson, was the play presented by the senior class. As in the past this production was enjoyed by a capacity audience.

May 1. Maureen Ivanow, champion speller of grades 6, 7 and 8, took part in the spelling bee held in Manchester.

Nov. 5. 8th Annual Watkins Prize Speaking Contest.

1. Beverly Broad — "I Couldn't Help Laughin' "
2. Betsy Cummings — "Just a Scratch On The Fender"
3. Gilbert Burns — "Tommy Goes to Bed"
4. Suellen Read — "Susie Shows the Wedding Presents"
5. Paula Pynenburg — "I Am An American"
6. Stephen Ackley — "That Watchful Big Brother"
7. Janet Baldry — "How Did You Die?"
8. Arlene Fournier — "Margery Receives"
9. David Trench — "The Gettysburg Address"
10. Patricia Penrod — "Penny"
11. Kathryn Baldry — "We, the People"
12. Lanny Walker — "History Repeats"
13. Annie Watkins — "Jealous"

Awarding of Prizes:

Harry Watkins, Donor — Introduced by Prin. Edmond J. Houle.

Judges:

Mrs. Martha Crosby, Donald Street School, Bedford
Miss Leah Gray, Rundlett Junior High School, Concord
Miss Jacqueline Lessier, Arlington St. School, Nashua

The Winners and Prizes were:

1st	Patricia Penrod	\$30.00
2nd	Gilbert Burns	20.00
3rd	Arlene Fournier	10.00
4th	Janet Baldry	5.00
5th	Stephen Ackley	1.00

The High School Prize Speaking Contest took place November 23 and prizes were awarded to the following:

- 1st Louise Morrill
- 2nd Jane Bastille
- 3rd Norma Hall

May 18. Merrimack took second place in the District Spelling Contest held at Pelham. Maureen Ivanow won first prize in the seventh grade.

III REPORT OF THE GRADUATES OF 1954.

Dorothy Brown — Merchants National Bank
Wendell Carter — Armed Service
Joseph French — Keene Teachers' College
Nancy Gordon — N. H. Plating Co.
Dorothy Michie — Faulkner Memorial Hospital
Marjory Morrill — University of N. H.
Sheila Murphy — Keene Teachers' College
John Navin — University of N. H.
Norma Penrod — Faulkner Memorial Hospital
Patricia Weston — Al's Diner

IV AWARDS AND HONORS.

Babe Ruth Good Sportsmanship Award — Sheila Murphy and
Wendell Carter
Balfour Award — Marjory Morrill
D. A. R. Good Citizen — Norma Penrod
Feeds Ferry Women's Club Scholarship — Sheila Murphy
Rensselaer Award — John Navin
Huntress Fund Trustee Scholarship — Sheila Murphy
Salutatorian — Norma Penrod
Valedictorian — Marjory Morrill
June 12-18. Patricia Putnam, sponsored by the American
Legion Auxiliary, and Jane Bastille, sponsored by the
Reeds Ferry Women's Club, attended Granite Girl's State.
June 20-26. Charles Hall and William Hoyt, sponsored by the
South village Club; Terence Hedges, sponsored by the
American Legion Post #98, and David Greenleaf, spon-
sored by the Community Club, attended Profile Boy's
State.

To carry on the activities mentioned above plus the others which are a necessary part of learning, required much time and effort spent by both the teachers and pupils. Without a whole-some cooperation of both groups, the success we have achieved would not be possible.

I am sincerely grateful to the teachers, the pupils, the parents and the organizations who have helped through work, support, gifts and encouragement to make these activities successful.

Respectfully submitted,

EDMOND J. HOULE

Principal

"NO SCHOOL" SIGNAL

If school is to be called off for any reason there will be notice read over stations WOTW in Nashua and WFEA in Manchester at 7:30 o'clock in the morning.

Because the required 180 days of school brings the closing of the school year well into the month of June, it is the feeling of the School Board, that it would be unwise to call off school unless it is impossible for the buses to negotiate their routes. We are asking all parents to use their own discretion sending children to school during a bad storm.
